## Angel Commitment Form

LEVERAGING YOUR GENEROUS SUPPORT

**The Mercer Island Schools Foundation** has a long history of providing financial support to the Mercer Island public schools. The Angel Matching Program is a leveraged giving opportunity designed to use your generous donation as a means to turbo charge giving by others in our community. From 2005-2008, Angels resulted in \$1,000 gifts increasing from 7 to 41!

**Your Angel Donation** will be used as "matching" gifts of \$1,000 or more at the annual **Breakfast of Champions**. The idea is to encourage people/firms who would donate at lower levels to increase their donation knowing it will be doubled.

**If your gifts are eligible for company matching**, please obtain your gift matching form from your employer and send it along to our office.
